CHECKLIST

- Have you read the important information?
- Have you considered where your future employer contributions will be paid?
- Have you completed all of the mandatory fields on the form?
- € Have you signed and dated the form?
- Have you attached the certified documentation including any linking documents if applicable?

WHAT HAPPENS TO MY FUTURE EMPLOYER CONTRIBUTIONS

Using this form to transfer your benefits will not change the fund to which your employer pays your contributions and may close the account you are transferring your benefits **FROM**.

If you wish to change the fund into which your contributions are being paid, you will need to speak to your employer about Choice. For more information about whether you are eligible to choose the fund to which your employer contributions are made, call Member Services. Alternatively you may care to contact the Australian Taxation Office on 13 10 20. Please note that you must be currently employed by a FuturePlus Super employer to contribute or transfer money into your account.

THINGS YOU NEED TO CONSIDER WHEN TRANSFERRING YOUR SUPERANNUATION

When you transfer your superannuation, your entitlements under that fund may cease. You need to consider all relevant information before you make a decision to transfer your superannuation. Your superannuation provider is required to provide you with any information that you may request. When transferring a benefit, some of the things that you need to consider are:

- **Fees** – your **FROM** fund is required to give you information about any exit or withdrawal fees. If you are not aware of the fees that may apply, you should contact your fund for further information before completing this form. The fees could include administration fees as well as exit or withdrawal fees.
- **Death and disability benefits** – your **FROM** fund may insure you against death, illness or an accident which leaves you unable to return to work. If you choose to leave your current fund, you may lose any insurance entitlements you have in that fund. Before transferring to the Fund, you may wish to enquire about the cost and amount of cover offered.

WHAT HAPPENS IF I DO NOT QUOTE MY TAX FILE NUMBER (TFN)?

You are not obliged to provide your TFN to the Fund. However, if you do not provide your TFN, your account may be taxed at the highest marginal tax rate plus the Medicare levy on contributions made to your account in the year, compared to the concessional tax rate of 15%. The Fund will deduct this additional tax from your account.

If the Fund does not have your TFN, you will not be able to make personal contributions to your superannuation account. Choosing to quote your TFN will also make it easier to keep track of your superannuation in the future.

Under the Superannuation Industry (Supervision) Act 1993, your superannuation fund is authorised to collect your TFN, which will only be used for lawful purposes. These purposes may change in the future as a result of a legislative change. The TFN may be disclosed to another superannuation provider, when your benefits are being transferred, unless you request in writing that your TFN is not to be disclosed to any other Trustee.

PROTECTING YOUR PRIVACY

Some of the personal information you are requested to provide is required to establish and maintain your membership in FuturePlus Super while other information is required under Australia's Anti-Money Laundering and Counter-Terrorism Financing laws.

The Trustee is fully committed to comply with the National Privacy Principles in the way in which your personal information is stored and used. Full details of how this is achieved are contained in the Trustee's Privacy Policy, which is available from Member Services or the website at www.futureplussuper.com.au.
